

Year 3

Homework Challenge Menu Autumn 1 2024

We would like children to select at least one of the homework challenges below for this half term, however children can do as many as they wish. This will continue to be run alongside the regular reading, maths and English homework that are set. Please return the **Homework Challenge work** by **Friday 18th October 2024**. Parents are invited to see the challenges on **Monday 21st October**.

<p><u>History - Ancient Egypt</u></p>  <p>Create a fact file using your knowledge of Ancient Egypt.</p>	<p><u>Science - Life cycle</u></p>  <p>Create a diagram to show the plant life cycle. You may also want to draw a diagram of a plant and it's key parts.</p>	<p><u>Geography - Spatial Sense</u></p>  <p>Design a treasure map with grid references- can your opponent find the buried treasure? Make your own grid or use the template.</p>
<p><u>French- Bonjour</u></p>  <p>Create a comic strip to show characters greeting each other in French.</p>	<p><u>Art - Landscapes</u></p>  <p>Look at the landscape from your favourite place and either draw it or paint it.</p>	<p><u>PSHE - Being Me</u></p>  <p>Choose 5 goals you want to achieve in Y3. You can write about them, draw a picture or make a short video.</p>

The above menu details a range of work for the subjects that your child will cover this half-term. We do ask that everyone has a go at this homework so they all have something to share at the end of each half-term. We thank you for your support.

Mrs Lopez and Mr Smith
