

Homework

- A piece of Maths/English homework will be sent out via Learning with Parents on a **Friday**.
- There will be a new homework challenge uploaded on Dojo for this half term.
- Children are expected to read frequently at home and this needs recording in their school planner at least 3 times per week. We cannot express enough how important this is for your child. Even 5 minutes can make a difference.
- Please send your child's book bag and reading books to school every day.

PE

- Our PE day will be a Monday. Please send your child to school in their PE kit. Correct PE kit is a white top and black/navy shorts/joggers and trainers.
- Earrings should be removed or taped before arriving to school.

Additional

- Please send your child in with a water bottle each day. Children can keep their bottles at the back of the classroom.
- As the weather is getting warmer, it is likely that we will be taking some of our learning outside so please bring a named hat into school each day and wear sun cream.
- Please ensure that your child has a named waterproof coat in school every day.

As we are coming to the end of the school year, I would like to thank you all for your support and efforts. We have had a fabulous year.

Thank you, Miss Cooper

Class Information Year 1

Summer Term 2, 2024

We hope you find the following information helpful in supporting your child this term. You will find a brief overview of the curriculum content for some subject areas along with a more detailed 'knowledge organiser' for other subjects.

This information is designed to give you a flavour of what the children in year 1 will be learning this term as well as information on the knowledge we expect children to know at the end of this term.

Many thanks for your continued support.
Miss Cooper

Year 1: Summer term - 2

English

At the end of last half term, we began our new unit based on instruction texts. Our model text for this unit is 'How to Make Fairy Dust' and our High-Quality text is 'How to Find Gold' by Viviane Schwarz.

For this unit, we will be...

- Looking at imperative verbs (put, mix, stir etc)
- Using commas to write a list
- Revisiting adverbs and sentence signposts

Maths

Money. In this unit, we will be recognising different coins and notes. Understanding the value of pounds and pence.

Time. We will be looking at hours, minutes and seconds and telling time to the hour and to the half hour.

Foundation subjects

Science - Materials and Magnets

History - Parliament and the role of Prime Ministers

RE - Judaism - Rosh Hashanah and Yom Kippur

Art - Investigating Sculpture

PSHE - Changing Me

Music - Exploring Sound

PE - Athletics
